

**PRESS RELEASE
FOR IMMEDIATE RELEASE**

**RESUMPTION OF OHANA SPECIALIST HOSPITAL'S OPERATIONS
FOLLOWING REINSTATMENT OF LICENSE TO OPERATE BY THE MINISTRY
OF HEALTH**

KUALA LUMPUR (June 16, 2023) — Ohana Specialist Hospital is delighted to announce that our operations will be resuming today, following the reinstatement of our license to operate by the Ministry of Health.

Over the past weeks, we have taken substantial steps to revamp our operational procedures, instilling a more robust governance system, and ensuring an unwavering compliance with the country's highest healthcare standards, in line with guidance from the Ministry of Health. This period has been a time of intense learning, reflection, and change for the hospital, allowing us to emerge stronger and more dedicated to provide our top-quality affordable healthcare solutions in the fields of Obstetrics & Gynaecology (O&G) and Paediatrics.

"Our focus on the health and safety of our patients remains our primary concern. We are committed to providing our patients with healthcare services in a safe, supportive environment. The reinstatement of our license is a testament to the hard work and dedication of our team in making necessary improvements, and we are eager to recommence serving our community," said the management of Ohana Specialist Hospital.

We are incredibly grateful to the Ministry of Health for the continued support and direction during this period. Their assistance and oversight have been invaluable in helping us elevate our standards and processes, enabling us to continue fulfilling our healthcare mission.

Our sincere thanks goes out to our patients, staff, and the broader community for their perseverance and support during this challenging time. As we re-open our doors, we pledge to serve you better, with the same commitment and passion for health that has always defined Ohana Specialist Hospital.
